Hi Team 2,

Here is my contribution summary for Milestone 5.

My role as Front End Support my main contributions to the Pathwise project included:

- Assisted the frontend team on dedicated tasks
- Worked on bookmarks and profile, making sure the pages aligned with the backend.
- Improving mobile responsiveness
- Helping connect frontend pages to backend
- Assist in preparing the pages to be more aligned, organized, and cleaned up.

Number of GitHub submissions to the team branch: 12

Thank you,

Cielina Lubrino
